The LIG Solutions Rx Offering

We are on a mission to change the Pharmacy Industry. We offer fair and honest pricing that is the lowest available, creating significant savings each month. We have four specialties that we focus on to save you the most money.

SOLUTIONSRX
PHARMACY PROGRAM

Acute Medications (Immediate Need)

If you have an immediate need for these types of medications, we have included a prescription card in the welcome packet to use at a retail pharmacy. This card includes the top 125 most prescribed acute medications for a \$5.00 payment, for up to a 21-day supply at over 64,000 pharmacies nationwide.

Maintenance Medications (Chronic Needs)

Maintenance drugs are medications prescribed for chronic, long-term conditions and are taken on a regular, recurring basis. Examples of chronic conditions are: high blood pressure, high cholesterol and diabetes, to name a few. These drugs are well-established medications that have proven safety and efficacy and are considered first-line therapy options for the treatment of common chronic conditions.

Over-The-Counter Medications (Everyday)

LIG Solutions Rx offers the most common Over-The-Counter medications, such as Ibuprofen, Acetaminophen, Fexofenadine, Diphenhydramine and others at a fraction of the price. We know the little things add up each month so we aim to save you money on the medications you use everyday.

SaveOnDiabetes

Glucose Meters, Test Strips, Medications & More!

SaveOn Diabetes is our game-changing program for members with Diabetes in which they will get a FREE meter, low cost testing strips, lancets and more. Many people have diabetes and one in three Americans are pre-diabetic, make sure you are keeping an eye on the warning signs. Read our special insert for more information.

How The Program Works

The Details About How, When and Where

When it comes to LIG Solutions Rx, we want to make sure you have a good understanding of how it works so you can fully take advantage of the services and savings. Below is information for the core areas, phone numbers and details about each of them. If you have additional questions, feel free to call us at 800.378.4025.

Head To Your Local Pharmacy

If you have an immediate need for these types of medications, we have included a prescription card in the welcome packet to use at a retail pharmacy. This card includes the top 83 most prescribed acute medications for a \$5.00 payment, for up to a 21-day supply at over 64,000 pharmacies nationwide.

Present Your Card

Present your card to your pharmacist where they

will confirm your membership and process your prescription.

Enjoy The Savings

Once processed you will only pay \$5.00 for up to a 21-day supply of your medication from our acute formulary. If your prescriptions are not on the formulary, you will receive our best pre-negotiated prices.

Have Your Prescription Sent To Us

Your doctor can e prescribe, fax, or call in your prescription directly to our home delivery facility. Our staff will receive the script and contact you to verify personal and payment information.

Transferring Prescriptions

If you need to transfer a prescription, we initiate a prescription request from your local pharmacy or physician and have it transferred to LIG Solutions Rx. If there are any issues facilitating the receipt or transferring of your prescriptions to our pharmacy, we will reach out to you via email and/or phone to get your assistance.

Safe, Secure and Trackable Delivery

We have partnered with USPS to make sure your packages arrive safely and securely in your mailbox. All packages that leave our facility are scanned and tracked through USPS' tracking system so that you always know where your package is, until it arrives at your door. Shipping only takes 3-5 business days to almost anywhere in the U.S.

Over-The-Counter medications do not require a prescription, so anyone can purchase them for every day use. We offer the most used drugs like acetaminophen, ibuprofen, vitamin C, calcium, and others that your family uses daily.

Home Delivery

We offer FREE shipping right to your home on orders over \$25 unless it is bundled with a prescription, then it also ships FREE.

Call Our Customer Service Professionals

Over-The-Counter medications can be ordered through our customer service line to buy direct from our staff members. We can process the order right there and ship directly to your home.

Our Medications Are Sourced in The U.S.A.

At LIG Solutions Rx, we make sure our medications are produced under the highest quality standards and are sourced in the United States of America to ensure our members have genuine high-quality drugs. It is not uncommon to find companies getting their drugs from overseas where there are no set standards and no way to know if the medications are even produced to specifications. We make sure our medications and supplies are tested and approved by the FDA.

PHARMACY COACHING

LIG Solutions Rx is looking out for you. Our experienced team of customer service and Licensed Pharmacists provide the highest level of care when members need it most. Through Pharmacy Coaching, we educate members on possible medication options and opportunities to save additional money when available. We will consult with you and your doctor to inform you of the alternatives and help make the best decision for your personal and financial health.

REDUCING PRESCRIPTION COSTS, ONE MEMBER AT A TIME.

The average consumer is being taken advantage of and is not aware there are options when it comes to their medications. We are here to help, educate and advise wherever we can. LIG Solutions Rx is committed to bringing you the most cost effective drugs in the industry.

Professionals You Can Trust!

LIG Solutions Rx has a team of highly educated, well trained pharmacists (RPh and/or PharmD) with decades of clinical experience. Our pharmacists are focused on helping patients achieve the highest quality of life through medication, counseling, education and adherence to the latest pharmacology standards.

FAQs *Frequently Asked Questions*

How can LIG Solutions Rx offer such big discounts?

LIG Solutions Rx has relationships with all major pharmacies negotiating the best possible prices on acute drugs. Our chronic drugs are purchased from suppliers and manufacturers direct and we pass savings on to you.

Do I need a valid Prescription?

Yes, a valid prescription is required to present to an in-network retail pharmacy or sent in to the LIG Solutions Rx home delivery pharmacy. Take your prescription to the in-network pharmacy of your choice or have it electronically sent from your doctor to LIG Solutions Rx delivery pharmacy.

Why are Brand Medications so expensive?

Drug companies control the prices and try to recoup the investment in research and development, thus causing high prices. LIG Solutions Rx will work with you to look for alternatives that could save you money. Our customer care team is available to discuss options. Please call at 800.378.4025.

Can we buy Over the Counter (OTC) Medications

Through LIG Solutions Rx? Yes, their Over-The-Counter medications are ones you use everyday and are the lowest prices around.

Will it cost me extra to have my medications sent via Home Delivery?

For Standard shipping, your medications will be shipped at NO Extra Cost! Fees applicable for special shipping.

Will the Home Delivery Program obtain refill prescriptions?

Yes, we will attempt to obtain a new prescription from your Physician. We will call or email the status of obtaining a new prescription if you have no refills remaining.

Do prices vary by Pharmacy?

No, you will pay the same at any pharmacy for our 124+ acute medications on our formulary. Show your member card and pay the pharmacy just \$5.00 for a 21-day supply. However, Chronic medications and Non-Formulary medications pricing will vary depending on the negotiated pharmacy rates.
